Mr. Billard is rapidly disposing of stock and the company promises to be a producer of importance in the course of a short time.

REDPATH LYCEUM ENTERTAINMENT

The local committee in charge of the Redpath Entertainment Course canvassed the City Saturday selling season tickets. While the sales fell short of the three hundred the committee feels that the necessary financial aid will be received before the first attraction—The Killarney Girls, who will be at the Princess Monday evening, October 9th.

The Killarney Girls is one of those exceptional musical entertaining attractions which has achieved distinctive success. The program is a story of human life, of the great wholesome men and women of Ireland. It touches the heartstrings of every one, and is dedicated to the Irish people of each community. Lake Killarney will seem a bit more real to you. The turf fields, the peasantry, the River Shannon and Killaloe will have a new interest for you.

There is an abundance of good music made up of songs and stories typical of Ireland and Irish life in the program. Every one of the six Killarney Girls, is a splendid singer. It is not too much to say that this is by far the strongest ensemble lady singing organization on the Lyceum platform. The instrumental part is well sustained, and brilliantly seconds the superb singing numbers.

The company, as before, is headed by Miss Rita Rich, one of the best known lady singers and entertainers. She has so many accomplishments that it is difficult to tell of them in detail. It is however, as a reader entertainer and impersonator that she has gained her chief distinction.

Miss Rich is ably seconded by Miss Laura Werno, who has a splendid mezzo-soprano voice, great dramatic ability, and has gained much praise for herself and distinction for the company by her interpretation of humorous and dramatic readings and stories.

Miss Marguerite Andrews, contralto soloist, possesses a wonderful voice that has brought her much favorable comment on account of its unusual quality, its dramatic brilliance and sympathetic appeal. The audience feels her singing.

Each member of the company merits our individual mention and praise, and it has been frequently said, that any one of the Killarney Girls is quite capable of giving a full evening's entertainment.

The reports from the committees and the press during all of their four seasons of booking have been warm and enthusiastic in their praise. Hundreds of thousands of people have been made happier by the delightful personalities of the several young ladies, the real dignity and beauty of their program, and the charming manner of its presentation.

"Only 'Gets-it' for Me After This!"

It "Gets" Every Corn Every Time. Painless. Nothing More Simple.

"I'll tell you what, I've quit using toe-eating salves for corns, I've quit making a package out of my toes with bandages and counterfeits—quit digging with knives and scissors. Give me 'GETS-IT' every time!"

When You See These Pretty Girls in Your Druggist's Window It's a Good Time To End Your Corns.

That's what they all say the very first time they use "GETS-IT". It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or corn-footing to do, no pain that shoots up to your heart. It gets your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT". Try it tonight. "GETS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

The committee appointed consisted of the following members: M. E. Crawford, chairman, Frank Sanders, A. A. Clement, I. N. Thompson, and J. C. Gaines. The Home Committee will meet this evening when active preparations for the new Elks home will be started. The project has been under consideration for some time and it is now the intention of the members to prosecute the matter with renewed energy and see their efforts crowned with success.

HAVE NOT WITHDRAWN AND WILL NOT WITHDRAW

Owing to the many rumors current to the effect that I had withdrawn from the race for Sheriff on the Democratic ticket, I take this means of publicly repudiating such rumors and wish to state that I have not contemplated withdrawing in the past nor have I any intention of doing so in the future. I intend to remain in the race until the end and take this opportunity of branding as rank falsehoods all rumors to the contrary, which have been circulated for obvious reasons by my political enemies. A. H. SLAUGHTER.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-ford in Scott's Emulsion which is a medicinal food and a building- tonic, free from alcohol or any harmful drugs. Try it. Scott & Bowne, Bloomfield, N. J.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J.
