

Equal to the Test

Hold a glass of Blue Ribbon Beer to the light. Note the beautiful amber color. Observe its clearness, undimmed even when just off the ice—a severe test of quality.

See the rich creamy foam—watch how it clings to the side of the glass—more evidence of quality. Now taste it—a flavor exquisite—found only in

Pabst Blue Ribbon

The Beer of Quality

Its the perfection of brewing—a table beverage that eye and palate and perfect digestion agree on acclaiming the best.

Insist on Pabst Blue Ribbon and add one more good thing to the list which makes for your health and enjoyment.

ARTICLES OF INCORPORATION

STATE OF MAINE

Certificate of Organization of a Corporation Under the General Laws

The undersigned, officers of a corporation organized at York, Maine, at a meeting of the signers of the articles of agreement therefor, duly called and held at the office of John C. Stewart, in the town of York, Maine, on Tuesday, the fourteenth day of June, A. D. 1910, hereby certify as follows:

The purposes of said corporation are: To purchase, buy, lease, rent, make, manufacture, develop or otherwise acquire, own, operate, use, sell or otherwise dispose of to others electric, gas and water and any and all kinds and forms of electric and gas power, rights, properties, privileges and franchises, including lakes, ponds, streams, creeks, springs and wells, buildings, real estate, machinery, tools and appliances necessary, convenient or incidental to or for carrying on said business; to purchase, lease, hire, rent, own, erect, maintain, use and sell or otherwise dispose of to others buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water; to acquire, own, construct and operate, hold, own, buy, sell and otherwise dispose of such buildings, lands, mills, factories, canals, waterways, roads, reservoirs, storage basins, dams, sluices, pipe lines, wires, poles, conduits, and any and all other works for storage, transmission and development or using of electric, gas and water, including ice, and any and all products of or from electric, gas or water;
