Manuel opened a cantina (bar) in Isla de Cordoba which is now the bridge by El Paso, Texas on the Mexican side

Manuel had badly burned his hands running his own "still" in Hanover, New Mexico during prohibition. Cequipula, had brought the alcohol to him which was probably too strong. This was around 1930 (Tom + Budget were married). Manuel did not serve time. Judge thought burns were punishment enough.

Elegia thought that Manuel would have made a wonderful father had he had children because he really enjoyed being around her children and would even change diapers.
