PRIVACY NOTICE

Maintaining your trust and confidence is at the core of our business. We value the privacy of the information you have entrusted to us concerning the funeral, cremation, or cemetery services we provide to you and your family. This privacy notice is being sent to you on behalf of one or more subsidiaries of Service Corporation International ("SCI") (collectively referred to herein as "we" and "affiliates" of each other) that offer pre-need or at-need financing (either directly or as an insurance agent, as described below). Although these SCI subsidiaries operate as separate companies, the treatment of nonpublic information by each of them is consistent and adequately described by this notice.

In the process of providing our financial products and services to you, such as advance (pre-need) trust arrangements or time- of-death financing plans, it is necessary to collect and maintain nonpublic personal information about you, such as your Social Security number, name, address, transaction history, bank account information, and credit-related information such as credit scores. We collect this information when you apply for financing, from any contract with us that you sign, from processing or administering your financial transactions, and occasionally, from credit reporting or collection agencies.

In addition, we sometimes act as insurance agents for a third-party insurance company in connection with advance (pre-need) insurance-funded arrangements. In connection with those services, we may collect information requested by the third-party insurance company in order to process your insurance contract, such as the (i) Social Security number, name, address, email address, date of birth, phone number, pertinent health condition and medical history, and details of any other life insurance held by the insured individual; (ii) Social Security number, bank account information, credit card information, name, address, and e-mail address associated with the person paying for the insurance; and (iii) beneficiary designations. We forward that information to the third-party insurance company along with information that we may have concerning the related arrangements that you have made with us. We may share with our affiliates the transaction and experience information associated with your insurance enrollment or policy in order to provide you with the desired death benefit services, and/or for marketing purposes.

We also sometimes serve as a re-seller of (pre-need) transportation and relocation plans, and we may collect contact and payment card information in connection with the purchase of such a plan, as well as the name, address, date of birth, and phone number of the beneficiary. We forward some of that information to the third-party transportation and relocation plan provider, along with information that we may have concerning the related arrangements that you have made with us. We may share with our affiliates the transaction and experience information associated with your transportation and relocation plan in order to provide you with the desired death benefit services, and/or for marketing purposes.

For Insurance Customers. Please see the above description of the information we may collect in our role as an agent for a third-party insurance company. In addition to providing such information to the third-party insurance company, we may give the information to state insurance officials, law enforcement, group policy holders about claims experience, or auditors as the law allows or requires. We may provide such information in response to a facially valid administrative or judicial order or subpoena. In addition, as stated above, we may share transaction and experience information with our affiliates in order to provide you with the desired death benefit services and/or for marketing purposes, unless you direct otherwise. To see your information or to request that we correct, amend, or delete any information write to us at privacynotice@sci-us.com, and provide your name, address, telephone number, name of the insurance company, and policy number (if applicable).

Consistent with our respect for your privacy:

- We will not disclose nonpublic personal information about our current or former customers or consumers to any affiliates or non-affiliated third parties except as described below, or as permitted by law (e.g., for us to provide financial, funeral, or other services requested or authorized by you, or to respond to a subpoena or protect against fraud).
- We may share nonpublic personal information we collect about your transactions and experiences (but not information about your creditworthiness) for everyday business use and marketing purposes by our affiliates who offer funeral, cremation, and cemetery-related products and services. We may share nonpublic personal information with outside business partners who provide support services for us or marketing services on our behalf. We also may share nonpublic personal information with non-affiliated financial institutions with whom we have joint marketing agreements for the purpose of jointly offering a financial product or financial service to you. You have the right to opt out of such sharing with affiliates and non-affiliated financial institutions, as addressed further below. We require affiliates, business partners, and financial institutions to refrain from using or disclosing any nonpublic personal information for any purpose other than the one for which it was received.
- We limit access to nonpublic personal information to those employees and representatives who need to know such information in order to serve you. We maintain physical, electronic and procedural safeguards to protect the security of your nonpublic personal information as required by law.

As set forth above, you may opt-out of our sharing of nonpublic personal information concerning you with our affiliates for certain purposes, and you may opt-out of our sharing of nonpublic personal information with non-affiliated financial institutions. We will refrain from sharing such information in such a manner for forty-five (45) days, in order to allow you the opportunity to opt-out in advance of such sharing. However, you may opt-out at any time, and we will honor such opt-out thereafter. If you wish to opt-out, please follow the procedures on the enclosed form entitled "Important Privacy Choices for Consumers." Please note that, if you limit sharing of information for an account you hold jointly with someone else, the limitations you select will apply to all persons on the account.

Please note that, in the event you request that we obtain financial or other products and services for you from a third party (including an insurance company or a transportation and relocation plan provider), such third party's use of your information will be subject to the third party's privacy policy.

It is an honor to serve you, and we thank you for being our customer. For questions regarding this Privacy Notice, please call our Customer Service Department at 1-866-805-9617. We will strive to reply promptly to your questions and comments.
