Zion Church (Presbyterian) - In 1854 Zion Church congregation was first
organized, the rev. John Alexander, of Niagara, being called as minister.
At

that time services were conducted in the Town hall, until a suitable
edifice

could be erected. It was necessarily some time before the building was
thoroughly completed; and the congregation met in the present lecture
room

until 1857, when the church was formally opened. In 1860 Mr. Alexander

resigned his pastorate, and for some two years the church was without a

minister, when the Rev. Dr. Cochrane was called from New York. From that

time until now the reverend gentleman has faithfully fulfilled his arduous duties, until at the present he presides over one of the largest and most influential congregations on this continent. His sterling worth and ability

is acknowledged throughout America, and for evidence of the great respect in

which he is held by the ministers of his own denomination, it is only necessary to refer to his appointment last year as Moderator of the general

Assembly. In 1867 it was found that the church was overcrowded, and the

seating accommodation was accordingly enlarged by the addition of galleries.

In 1876 an alcove was added, and the pulpit and present handsome organ (made

by Warren & Son, Montreal) put in. Since that time the demand for additional

seats and other improvements has been force from year to year upon the Board

of Management, until last year it was definitely decided to enlarge,

refurnish and redecorate the church throughout. For some months past workmen

have been busily engaged in effecting the desired alterations, and it is

safe to say that for beauty and elegance Zion Church is now unsurpassed by

any other in the Dominion. The edifice has been enlarged by the addition of

sixty by thirty-one feet at the rear portion. The organ has been placed on

the right hand side, while on the left the light streams through two

beautifully stained glass windows, the gift of Mr. J. K. Osborne. The

instrument has been considerably improved, and with its remodelled exterior

now presents a most handsome appearance. The pulpit has been richly decorated with iron work, and the platform ornamented by two handsome urns

for flowers, the gift of Mr. W. E. Welding. The seats, which throughout are

new, are made of native butterwood highly polished. The iron work at the

ends is especially designed. the pews have been arranged in semicircular

form, with an inclination of twenty-one inches from rear to front. This

arrangement enables all in the church to obtain an equally good view of the

pulpit. The church has been recarpeted and recushioned throughout. The

carpet, which was especially woven in Scotland, is of two shades in crimson,

and the cushions of rep, imported from England, are of a like colour. The

galleries all round have been brought forward eighteen inches, thus enabling

the seats to be removed six inches further apart. Three new handsome

gasaliers, with sidelights to match, have been placed in position at a cost

of about \$400. The new ceiling has been delicately panelled and frescoed. In

the down-stairs portion of the building four new class rooms for Sunday

School purposes have been added, together with a handsome vestry for the

minister. This room has been suitably carpeted and furnished throughout with

secretaire, dressing stand and other appurtenances. The addition to the

church was built by William Watt. The estimated cost of the whole

improvement is \$14,000. The carpets and cushions were provided by the ladies

of the church at a cost of \$1,700.

The death occurred at noon to-day of Mr. E. Paterson, the well-known grocer at the corner of Malboro and Market streets. The deceased had been ill for some time, and in spite of all that skilled medical attention and loving hands could do the end came peacefully to-day. The deceased was in his 54th year and had been a resident of the city for 20 years. He was connected with the Grand Trunk railway for a time, making a trip to the Klondyke. Returning to Brantford he entered business in which he was very successful. The late Mr. Paterson was a Scotchman, and a staunch member of Zion Presbyterian church. He was also a member of Doric lodge A.F. and A.M., the A.O.U.W. and the A.O.F. of Chatham. To the sorrowing widow and family, the sincer-

est sympathy of a wide circle of friends will be extended in their sad bereavement. The family are: Mrs. F. Gardener, city; Miss Pansy, and Miss Annie, at home, and James, of Hamilton. The funeral arrangements have not yet been completed.

All that was mortal of the late E. Paterson was impressively laid at rest in Greenwood cemetery yesterday afternoon. The funeral took place from the late residence, Market street, and there was a large gathering present, including members of Doric lodge A. F. and A.M. to pay a last tribute of respect to the deceased. The services at the house were conducted by Rev. Mr. Cockburn, M.A. and the Masonic ritual was observed at the grave. The citizen pallbearers were Messrs S.M. Thomson, T.Y. Brown, A.R. Paterson of Detroit, James Paterson of Hamilton, John Paterson, F. Baty of Chatham; and the Masonic bearers were Messrs. W.A. Robinson of Hamilton, O.E. Truesdale, C. Whiting, J. Miller, R.T. Whitlock and J. Thomson of Toronto. The floral tributes were very numerous and beautiful.

Hi Jane,

I have been busy getting my income tax sent in so now I can catch up on

my mail. Yes, I went to the library for the information. I usually get some

information for myself when I do these little extras. It is quite easy when

you know what page and column from our indexing to find the obits. I did

work for a lady from British Columbia for a few months last year. She paid

me by the hour plus costs. I got into some home renovation work and work

full time as well, so I have had to put her on hold for awhile. This was

local work. I have done research in Toronto at the Archives of Ontario, the

North York Library and the United Church Archives. I have been at most libraries in this area and as far north as Sudbury and North Bay.

Another extra for you.

I went to Mount Hope Cemetery as they have the Greenwood records. I was

after the location of the Paterson gravestone to see what was on it.
Maybe

you can clear up some things that have come up.

On the stone there are listed several children with no records of burial.

From your information, they died before the approximate 1889 arrival of
the

family here.

It says "Children of E & E Paterson"

Charles died Aug. 30, 1885

Jane died Feb. 6, 1886

Annie died Feb. 10, 1886

Janet died Nov. 9, 1886

Pansy was born Apr. 21, 1893 and died Oct. 25, 1910 at age 17 which
was

shortly after her father.

Edward was born at Annan Scotland on Oct. 22, 1855 and died on July
13,

1909.

There was an Elizabeth F. listed in the records as died Aug. 13, 1939 at
age

84. Likely Edward's wife. I didn't see her name on the stone but it must
be

there somewhere for the OCFA to have it listed. Some of the plot may
have

been sold to the Oles family who have a stone next to it. The Gardener
name

was listed in the records as well but I needed realize the connection
until

I got home and read the obit again.

The stone is plot # 705 at Greenwood by the railway tracks.

Who is the Annie that was working in the store in 1909 ? A namesake
for the

first one?

How are you connected to this family as James seems to be the only on
that

may have descendants?

Can you shed some light on any of this?

OLD RESIDENT GONE

The funeral of the late James Patterson, 90 Adelaide Street, will take place on Friday, 25th inst., to the Maple Leaf cemetery.

The deceased was one of the most highly esteemed citizens of the Township

of Harwich for the past quarter century, and three years ago after the death

of his beloved wife he moved into this city and took up his residence on Adelaide Street. From that time onward he gradually lost his old time vigor, and surrounded by those members of his family who are in the city, peacefully passed away.

Deceased was born in Hightae, Dumfrieshire, Scotland, and settled in Harwich. Eight years ago he celebrated his golden wedding and it was one of

the happiest reunions ever held in the county, members of the family coming

from the Northwest and from different states to participate in the festivities of the occasion. These same members, consisting of the following, will reach here before the funeral to pay their last respects to the memory of the deceased; Mrs. Green, of Manitoba; James, Medina, N.Y.;

Mrs. Douglas, at home; Mrs. Hodgson, Mrs. McNaughton, Cleveland, Ohio; Mrs.

Baby, Buffalo, N.Y.; Edward, Brantford, Ont.; Mrs. Bartlet, Detroit; John, Chatham Township; Andrew, Detroit; and James H., at home.

Exterior Surface brick veneer

This building began as a side gable, frame grocery store/dwelling sometime

between 1852 and 1875 and continued as a corner grocery store until the late

1970s. After a fire damaged the building in 1938, the renovations changed

the building completely - covering the entire structure with a brick veneer

and adding new windows with concrete lintels and sills. The return eaves and

the semi-circular window in the front gable (since shortened) but remains as

one of the few original features of the building.

The rear roof was extended to the west and a gable dormer giving the

appearance from the rear of a Craftsman style bungalow typical of the 1930s.

The south-east corner was changed to an open porch entrance and a brick

fence with an iron gate was built along Market Street to enclose the garden.

One of the brick posts remains with a concrete cube balanced on its corner

on the post cap. The garden yard is now a parking lot.

The north-east corner may have had the corner entrance early on but this has
