

### Remembering grandma

Margaret Finney of Carsonville died on Aug. 19 at 99.9 years of age. She was remembered Sept. 22, on what would have been her 100th birthday, by friends and relatives. A balloon launch from towns and cities throughout Southeastern Michigan; Louisville, Kentucky; Black Canyon City, Arizona; Los Angeles, Boston and Chatham, Ontario carried with it "a bag of Red Rose Tea". Margaret and Red Rose Tea go way back. Remembered by her daughter-in-law, Kay Coleman of Lake Orion, "It seemed the only thing she loved and requested for all occasions was Red Rose".

### Full house at Carpenter

Carpenter Elementary Principal Chris Lehman greets a parent during the school's open house on Sept. 19. Carpenter parents got a chance to meet teachers, administrators and various people who help make the school run smoothly.
